***How we find the best offer for our customer***

## ✓ Work way

Customer's requests

- Technical requirements and standards
- Engineering solution
- Price and quality solution
- Supply assurance

Product search

- Searching for the most suitable product according to the given standards
- Possible alternatives

Commercial offer

- Appropriate products are proposed

## ✓ Work way

Customer's  
requests

Product  
search

Commercial  
offer

If the offer is not suitable for the customer, we repeat the process until all parties are satisfied with the result.

Our ambitions  
do not allow  
to perform  
work poorly

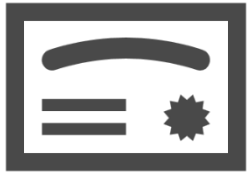

## ✓ Work way

We strive to keep pace with the innovations, so we spend a lot time:

-  visiting international exhibitions
-  updating our product range
-  looking for new niches
-  improving qualification

# ✓ Work way

The quality of our work is described by the DNV GL standard ISO 9001 : 2015

DNV·GL
